The Greenlife Golf Aparthotel is located in the heart of the Costa del Sol, in the prestigious urbanization of Elviria Hills. Located just 10 minutes from the centre of Marbella and 3 minutes from the Mediterranean Sea, this place is protected by the Sierra de La Mairena, which offers an ideal climate and a place for customers to visit us all year round. Málaga International Airport is a 30-minute drive away. The location is considered one of the best in the region with breathtaking views. The hotel is located on the shores of a private lake surrounded by the golf courses of the Green Life Club. The architecture of the complex was created by the legendary architect Rodolfo Jacobson Amieva from the Gonzalez & Jacobson Architecture studio, who has been designing the best properties in Marbella and the Costa del Sol for more than 30 years. The complex consists of 12 studios and 3 one-room apartments. They are designed and built as holiday homes, fully furnished, and available for rent throughout the year on a short- or long-term basis. Each elegant, air-conditioned apartment features a private terrace with beautiful views of the lake and the golf course. Opposite the hotel, there is El Lago, a restaurant featured in the Michelin Guide.
