Adjacent to the main house, there is a modern apartment with 2 bedrooms, 2 bathrooms, an independent kitchen, and a living room with a fireplace. There is also an unfinished structure that offers possibilities for expansion. All rooms boast views extending towards the Mediterranean Sea. In the common area, we find an outdoor pool convertible to an indoor heated pool during the winter months, so it can be enjoyed at any time of the year, and a cozy covered chillout area with clear views of the sea and the mountains. The plot, which benefits from irrigation water, includes 2 wells and a pool. It has an active electricity contract.
