This luxury top-rated property is located on the 3rd and roof level of a condominium known as Bahia de Velerin. It consists of two levels: the apartment level and the panorama wellness (leisure) roof terrace. The building is equipped with an elevator operating from the parking level to the property exclusively. There are 3 bedrooms with their own bathrooms (Guest, Golden, Black) and covered, and openable, glazed-side-closed, fully equipped Luxury Panorama Leisure area as part of the roof terrace. The entrance hall, living room, kitchen, dining area, and panorama balcony with external stairs to the roof terrace are located on the apartment level. The panorama wellness roof terrace (with jacuzzi, sauna, and BBQ) has an open area and a closed fully glazed (openable) panorama leisure area under a wooden structure roof. There is a unique internal "floating stair" with an automatic glazed openable slab built between the apartment and the roof level. The architectural style of the apartment is modern, but on the roof terrace, as it is partly open, the existing "South Mediterranean - Andalusian - North African" design was followed. Underground lockable storage and private parking with its own electric car-charging station also belong to the property. The condominium has a fully maintained tropical garden with a lake, private swimming pool with a pool bar, and direct access to the beach. Equipment: security systems with security camera, air conditioner, electric floor heating, fully equipped kitchen, Dolby Atmos HIFI system, TV in all rooms, WIFI Hot-Spot System 5g. Used brands: Bose, Sony, Samsung, Miele, Neff, Bosch, Villeroy&Boch, Laufen, Grohe. More info: [www.lhdspain.eu](http://www.lhdspain.eu)
