Estepona

Plot

150 m2

575 m2

PLOT WITH BASIC PROJECT AND LICENSES INCLUDED. Discover an exceptional opportunity to build your future in a prestigious urbanization. This land, with a generous total size amounting to 575 square meters, is presented as the perfect base to transform your architectural dreams into reality. The highlight is that it already has a license and basic project included, which significantly simplifies the initial development steps. Strategically located in an area recognized for its natural beauty and proximity to key services, this land offers endless possibilities for both investors and those looking to establish their ideal home. The tranquility of the environment combined with modern amenities makes it a sought-after location. The area is not only known for its impressive landscapes but also for its proximity to important tourist spots and essential services. Just a few minutes away you will find sports fields, shopping centers and quick access to the main urban roads that connect directly to Estepona and other surrounding areas. Documentation is completely up to date, ensuring a hassle-free transaction. The conditions are highly competitive considering the privileged location and the added value of the project. Don't miss this unique opportunity; Land like this does not remain available for long due to high demand in highly sought after areas.
