This apartment is spectacularly situated, beachside Calahonda. The apartment has been totally reformed to an extremely high standard. The ultra modern kitchen has an island and high spec electrical appliances. The decor is second to none and the apartment naturally leads through to a spacious and stunning living area. Full of natural light and superb ornaments and furniture it makes for a fabulous base. It opens out to beautiful gardens and the gorgeous pool. The sea can be seen beyond the gardens and this tranquil location is perfect for enjoying those long summer evenings. There is a big terrace at the front and a utility room, followed by the spacious, open plan lounge area and kitchen. The bedrooms are spacious and have built in wardrobes. Lots of interior and exterior space, making this a great holiday home or indeed an all year round residence. Supermarkets are close to hand and great restaurants and bars, but the urbanisation feels secluded and is private and very well maintained.
