On the golden mile Looking at the sea Completely renovated 3 minutes from the beach Sandy beach... There are no further comments, Your Honor..." Well yes! I tell you that, because it is on a dead-end street, it is a very quiet urbanization. It has super beautiful light, that's why the building is called Sol. I love watching the sunrise listening to the sea, it recharges my batteries. I get up early, do some exercise, watch the sunrise, take a shower, have a cup of coffee and get going!!! I really like this apartment, it is modern and functional. Very cool for my partner and me. I rest very well here. I confess that there are some times that, on those Sunday naps on the couch, I wake up with my stifle hanging (I'm a little embarrassed to say it ???? , but it's true...hahaha). If you want to check it out (about the light, the sea and all that, not about the nap), I'll show you. Give a touch to Teo, the alchemist, and we coordinate. Hug
