Torrenueva

House

This wonderful one level villa is situated in a quiet cul de sac, within easy walking distance of the beach and the boardwalk in Torrenueva. The flat plot makes for very easy living, and as soon as you walk through the gate you are taken in by the Spanish charm of this lovely house. There is a flat front garden, a garage and driveway, and once inside there is a very large living and dining room, with access to the terrace and pool area. There are 3 double bedrooms, 2 bathrooms., a very large separate kitchen with separate utility room and access to and from the garage, but the very large and comfortable living room with feature fire place is a stand out feature of the interior. But what really sets this house apart is the outside area. Being private and quiet, it's a really calm space to spend some time lounging by the pool. A really special house, highly recommended..!
