70 Garages in Magna Marbella. Newly built, brand new !!! The garage has carbon monoxide extractor, anti-fire system, automatic light when entering. SECURITY One of the safest urbanizations, to access the garage you have to go through the entrance where there is a security guard 24 hours, and access with a remote control to open the barrier, then you have to go through a road with cameras which record car registration and the driver's face, and finally another remote control is needed to enter the private garage. IDEAL for companies who sell cars, car rental, private collections, among others...
