Beautiful recently renovated Finca with panoramic views of the sea, mountains and countryside with a guest house located on the top of a beautiful hill with excellent paved access and very close to Mijas Pueblo and Fuengirola. The access to the Finca is very elegant with an automatic gate and a long-paved road and very well-lit at night to reach the large parking lot for several vehicles where there is a carport for 4 cars located next to the house. The pool is surrounded by sunny terraces with 100% privacy and tranquility from where you can admire the beauty of the Mediterranean Sea. The land is fully fenced where there are fruits such as orange, lemon, avocado, and mango with an automatic irrigation system and plenty of water as it has water from the town and also 2 own water wells. The property is connected to the sanitation of Mijas.
