OUR SYSTEM IS A LA CARTE. Being faithful to it, everything we offer is a starting point for our clients: The design of the villa will be adjusted to the client's taste; The quality elements will be chosen by the client, for which we offer three quality levels that, in ascending order, we call them: GOLD, PLATINUM and DIAMOND. OUR MISSION. It is giving the client a wide range of options in design and quality, so that he can easily create his living space with the finishing elements that he really likes and that make him feel emotionally good. This villa has been designed on a plot located in the Campomijas urbanization, Mijas. Malaga The reference prices in this prototype location for the three quality levels offered are: GOLD Level Price: [1,325,000; PLATINUM Level Price: [1,523,750 and DIAMOND Level Price: [1,752,350. The prices offered do not include taxes inherent to the sale and will be updated on the date of signing the corresponding sales contract in promotion. OUR METHOD IS A LA CARTE. The client decides and always has the last word, because we have a deep respect for his personal wishes and privacy. We establish 3 very simple steps: 1.- Choice of villa and location. From the collection of villas and the catalog of plots offered, the client chooses the one he really likes and best fits his needs and desires. "From this moment everything begins." 2.- Adjust the design. Once the villa and location have been chosen, the client can adjust the interior and exterior design to their personal needs, with the utmost respect for the applicable regulations and, always with the help and advice of our technical team who will inform them about the feasibility technique of the proposed changes. 3.-Choice of finishing elements. We offer a variety of options in finishing elements. Selected from the feeling of balance, harmony and well-being, always seeking maximum ease and comfort for our clients. In each of the villas in the collection we offer three levels of quality that, in ascending order, we call them: GOLD, PLATINUM and DIAMOND.
