One of the bedrooms also has direct access to the terrace, which is great in the summer to get a lovely breeze through the whole apartment. There are 3 bathrooms. The entire residence has marble floors. The kitchen is fully equipped and sold with a washing machine and dishwasher. The home also includes furniture, a private garage space and a storage room. The newest phase of the association. The tropical garden is unbeatable with 4 large pools as well as 1 children's pool, palm trees and a lovely lawn. Nearby there are restaurants, a small grocery store, padel, golf courses, barbecue park and with just a few minutes by car there are larger grocery stores, gyms, cafes, bars, etc. For those who like to exercise, there is a nice walking and cycling path along the river where you can exercise in nature and which leads to the Fuengirola beach promenade.
