Stunning property on the mountain side of beautiful white washed village of Mijas Pueblo. Only 10 minutes walking distance to all the amenities of this cultural center of Andalucia. The house is full of history and unique feeling. It has overcome lots of renovation during the years and is spectacular in matter of arqitecture, location and decoration. It is a large property but yet very homely and cozy. It would make an exellent home for large family where all family members can have their own privacy and space as the house has three different apartments with their own entrances and kitchens. It is easy to use as one family home or use the apartments separately. Views are amazing, no video can capture them. You will be blown away for the athmosfere of the villa and for the views. This is a unique house with lots of soul and caracter, these kind of old houses are very rare to find nowadays. The current owners have put in lots lof love and effort and good taste to turn this home into a fabulous residence it is. It has lots of nice corners and cozy hide away places, something so extraordinarily fantastic that you have to experience it in person. Do come to fall in love with this unique house!
