This charming townhouse, located in a popular urbanization, is a quality property ideal for both families and investors. The property is in good condition and has a fitted kitchen, a cozy living room with a fireplace, and a dining room. Although it does not have its own parking, it offers access to a communal pool and a beautiful shared garden. The communal environment is perfect for enjoying the outdoors, with large garden areas and a swimming pool that provides a refreshing space to relax and socialize. Good road accessibility makes it easy to get around, while the presence of a nearby restaurant adds convenience and leisure options. In addition to its appeal as a family home, the property has high rental potential, making it an excellent investment. It also has a practical laundry room, providing all the necessary amenities for comfortable living. In short, this townhouse combines a convenient location and a number of features that make it a desirable option in the real estate market.
