An incomparable setting in which to enjoy the best sunsets in Marbella without leaving your urbanisation. Two bedroom flat (originally three) with a living area of 93m2 plus 25m2 of terrace and a storage room of 6m2 (attached to the property and with exterior and interior entrance). An outstanding distribution, where spaciousness and light are the protagonists. A large entrance hall that divides the property in two, leads to the living-dining room and the kitchen on the left wing. On the right wing there is a complete bathroom, a secondary bedroom and the master bedroom with en-suite bathroom, all connected to the heart of the property, the terrace. It was reformed changing the distribution from three to two bedrooms, creating spacious rooms, connecting all the rooms with the main terrace, which has become the central and predominant space of the house.
