Welcome to "A DREAM COME TRUE". Welcome to this brand new complex that is born from the mixture of the two passions of the brand. On the one hand, a high-quality product in terms of construction, design and use of materials and on the other hand, our principle of "LIVING BY THE SEA", in this case taken to its maximum expression. This is a residential complex facing the sea with fantastic terraces, which invite you to live, feel and see the sea, as an everyday part of your life. Outstanding Features: - Ideal Location: Reserva del Higuero is known for its tranquillity and natural beauty, while offering easy access to services, beaches and entertainment venues. - Unparalleled views from anywhere in the house: Enjoy spectacular sunrises and sunsets while gazing out over the crystal-clear waters of the Mediterranean Sea. - Modern design with high quality finishes and a spacious layout that maximises natural light and spaciousness. - The jewel in the crown is its spacious terrace, perfect for relaxing, hosting social gatherings or enjoying al fresco dining with family and friends. - Luxury Facilities of Seaviews Reserve have access to a swimming pool, fully equipped gym, sauna, lush gardens and 24-hour security. The Reserva del Higuero Urbanisation is an idyllic location that offers the best views, an architectural style that suits the natural features of the land and a wide variety of services such as a pharmacy, supermarket, restaurants, hotel, etc. The whole area is granted security, exclusivity and wellbeing, as well as the satisfaction of the highest demands in each development.
