This beautiful project in Nueva Andalucia is the best example of adaptation to a unique natural environment, with numerous spectacular tropical gardens of over 13,000 square meters and with a beautiful swimming pool and a small lake. The project consists of excellent luxury apartments on a plot of 26,000 square meters and with a typical Mediterranean design and was designed by professional architects. As a result, it consists of a beautiful design and layout that blends perfectly into the sun-drenched exotic landscape surrounded by gardens and palm trees. This two bedroom apartment on the ground floor comes with a very spacious fully equipped luxury kitchen, a utility room and a large living room with access to a partly covered terrace of 57m². There are also two bathrooms, with one of them en-suite. From the private terrace owners can overlook a beautiful swimming pool. The apartment also comes with a parking space in the underground garage and a storage room.
