El Faro

Apartment

Unique ground floor apartment in El Faro The bright apartment has a great floor plan with no wasted square meters. The kitchen, living room and dining room form a spectacular ensemble. The room has gained more space when part of the terrace has been converted into a living area. The living room is really bright with the light coming through the big windows that are the width of the entire room. The fireplace brings atmosphere and warmth to the room. The spacious open plan kitchen is fully equipped and there is plenty of counter space. In the terrace area and the exceptionally beautiful garden you can enjoy the sun with a wonderful view. Both bedrooms are spacious and there is plenty of storage space. The well-maintained community has also a swimming pool. The apartment is located in an excellent location in El Faro. It is only a 10-minute walk to the beach, and the nearest restaurant and services can be found nearby. It is a short drive to Fuengirola and 20 minutes to the airport. Warmly welcome to visit! We are also happy to reserve a video presentation time.
