Апартамент

We are happy to present this beautiful penthouse located in the lower part of Los Pacos, Fuengirola. Unbeatable location close to all services and amenities. The penthouse has a total constructed area of 112 meters, of which the living space is 63 square meters plus terraces. It has a large entrance, kitchen with window and large living room with access to a beautiful terrace. 1 bedroom with built-in wardrobe and mountain views and 1 bathroom with bathtub. On the second floor you will find a beautiful private roof terrace with mountain views and partial sea views. This magnificent terrace has sun throughout the day. The price includes a garage space and a large storage room. This beautiful complex has a community pool, garden areas and a paddle tennis court. For more information and visits do not hesitate to contact us. We have virtual tour
