Málaga

Апартамент

For rent long term minimum 1 year. This cozy apartment is located in the heart of Malaga, close to calle Larios. This is a completely refurbished Scandinavian style apartment with excellent qualities, high ceilings and large windows overlooking the street. The property consists of a main space with living room, kitchen and dining room, a bedroom with built-in wardrobe and a bathroom. The living area has a floor to ceiling window with balcony in the kitchen, and a beautiful original wooden bay window in the living room. The kitchen, designed in white, has a fridge, induction hob with extractor fan, washer-dryer and dishwasher. Kitchenware included. The property is delivered furnished with a lot of style, almost brand new, as both the building work and the furnishing are very recent. The bedroom is very functional. It has a space for a bed, a fully fitted wardrobe and a floor to ceiling window with a balcony. We would like to highlight the elegance of the design, the quality of the materials and the luminosity of the rooms. It reminds us of a suite in a charming hotel. It is a real luxury right in the centre of Malaga. The building where it is located is historic, elegant, with high ceilings, balconies and viewpoints to the street. There is a lift. We are just a few metres from Larios street, in a quiet and charming street, close to restaurants, shops, supermarkets and all kinds of services.
