PLEASE READ THE DESCRIPTION. PROPERTY WITH A FIXED RETURN OF 5%, WITH SPECIAL CONDITIONS, NOT FOR PRIVATE USE. This studio in Hotel el Puerto is not just a property, but a strategic option for those looking to diversify their investment portfolio. With a fixed return of 5%, you can have peace of mind knowing that your investment will generate consistent income. This is especially attractive in the current context, where financial stability is key. It is important to highlight that this property is specifically designed to be EXPLOITED BY HOTEL EL PUERTO, which means that YOU WILL NOT BE ABLE TO USE IT AS A PRIVATE RESIDENCE. However, this also has its advantages: the hotel takes care of the complete management of the property, including administration, maintenance, and all associated costs such as electricity, water, and community fees. This allows you to enjoy an investment without the complications that often come with being a property owner. The studio has a built area of 20 square meters, making it ideal for tourists looking for a comfortable and well-located getaway. Additionally, it features a private bathroom and centralized air conditioning, ensuring that guests have a pleasant experience during their stay. The views of the sea and the mountains are a great attraction, which can increase demand and, therefore, the profitability of your investment. The lease contract is automatically renewed, providing you with additional security regarding the continuity of your income. This means you won't have to worry about finding tenants or managing bookings, as the hotel takes care of everything; the income you receive is always the same and does not fluctuate.
