Spectacular mansion with incredible panoramic views of the sea and the bay of Fuengirola in Buenavista. Just 15 minutes from Malaga airport and very good connection with the A-7. This villa is distributed over 3 floors with more than 1,000 m2 built, so all its rooms are impressively spacious and have very pleasant outdoor areas. It is located on a plot of almost 4,000 m2 with a large private pool surrounded by gardens. At its entrance we find two closed garages for two cars. The main floor is distributed in a living room, where you can already start enjoying the wonderful views of the sea from the sofa, a completely renovated and fully equipped independent kitchen, and a large southwest-facing terrace. The property consists of 7 bedrooms, 6 bathrooms and 2 toilets. Do not miss the opportunity to rent this villa with one of the best sea views and exclusive designs on the Costa del Sol.
